

ISRAEL TRIP

2023

purpose

This tour will center around times of site seeing, reflection, Biblical application, and ministry as we visit significant places found in both the Old and New Testaments. It combines a personal pilgrimage and typical tourist activities with an emphasis on current culture as well. While it is extremely powerful for believers to see the physical locations of biblical text, it is also powerful to witness how Jesus is moving today in that land!

overview

11 days, 10 nights in the Holy Land

5 nights in Jerusalem / 1 night at Dead Sea /
3 nights in Tiberias / 1 night on Mediterranean

11 days and 10 nights in Israel at hotels with excellent ratings in Jerusalem, Tiberias and other places, in-country transportation, tours, entrance fees paid for various major tourist sites. Explore the Dead Sea, the Sea of Galilee, Jerusalem, the places where Jesus and His disciples walked, etc. The schedule varies according to weather and circumstances, but the trip includes several days of tours around Old Jerusalem, Masada and Qumran at the Dead Sea, numerous sites around the Sea of Galilee, including Magdala, the Mount of Beatitudes, and a boat ride, and much more.

accommodations

We stay at very nice hotels throughout the country. The price is based on double occupancy. If you are traveling alone and do not want to be placed with someone (same gender), then you can pay extra for a single room (if there is availability). All rooms are standard hotel rooms with ensuite bathrooms.
